November 8, 2006

Dear Mike,

You did it again!

The comedian that you suggested for our Fall Celebration, Mike Green, had our group in stitches the entire time he performed.

Mike was great at interacting with the crowd and put on a hilariously funny and tasteful show. I have heard many great comments from our employees and I know they sincerely enjoyed the entertainment portion of our night.

Thanks for your help in making this excellent selection for our event.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Schultz", with a long horizontal stroke extending to the right.
